SQL,PostgreSQL,SQLite

INTERNSHIP EXPERIENCE

Web Development Intern · [Velgrow Academy](#) · Chennai, TN

May 2025 – Jun 2025

- Developed a Web Fusion Application integrating 2 productivity modules: Screen Recorder and Weather Forecasting.
- Built a browser-based screen recording tool using the JavaScript MediaDevices API.
- Integrated Weather REST APIs to provide real-time, hourly, and 5-day forecast data.
- Designed a responsive user interface using HTML5, CSS3, and Bootstrap for desktop, tablet, and mobile devices.
- Successfully completed the internship and received a Web Development Internship Certificate.

PROJECTS

KFC SmartBite — Full-Stack Food Ordering System

Sep 2025

Tech Stack: Python, Flask, SQLite, HTML5, CSS3, JavaScript

- Developed a full-stack food ordering application with menu browsing, order management, and automated billing.
- Built RESTful APIs using Flask and SQLite to manage menu items, customer orders, and transactions.
- Implemented CRUD operations and responsive user interfaces using HTML, CSS, and JavaScript.
- Delivered an end-to-end web application demonstrating full-stack development and database management skills.

WeatherPro — Full-Stack Weather Forecasting Application

Mar 2026

Tech Stack: Django, React.js, PostgreSQL, REST API, HTML5, CSS3, JavaScript

- Developed a full-stack weather forecasting application using Django, React.js, and PostgreSQL.
- Built REST API endpoints to display real-time, hourly, and 5-day weather forecast data.
- Developed a responsive React.js frontend and optimized data handling using PostgreSQL and Django ORM.
- Implemented production-ready configurations including CORS and environment-based settings.

EDUCATION

Bachelor of Science (B.Sc.) in Computer Science

2023 – 2026

Queen Mary's College, Chennai, Tamil Nadu | CGPA: 8.1/10.0

Higher Secondary Education (Class XII)

2022 – 2023

Government Girls Higher Secondary School, Harur | 79/100

CERTIFICATIONS

- Python Full Stack Developer — Login360
- Internship Certificate in Web Design — Velgrow Academy
- Python — HackerRank
- Foundations of Coding with Python — Naan Mudhalvan
- Fundamentals of Web Development — Naan Mudhalvan
